Butterfly 6204 Folder

Gera's finishing experience has achieved a high level of customer satisfaction providing the large format market with the smartest folding solution. This extremely compact finisher has been designed to be combined with the **6204 Xerox Printer**.

Enjoy the enhanced benefits of an economic and compact folder providing your valued customers with documents perfectly folded.

Highlights

No Room?

The Butterfly 6204 is the ideal Folder for small spaces. The operator can comfortably scan documents with the folder attached to the Xerox 6204 printer.
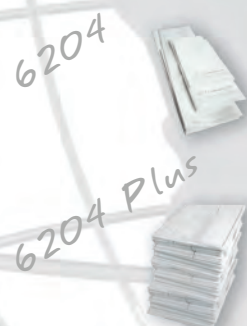

Need manual-feed?

To enable the manual function, easily swing the Butterfly Folder out, in this way you get room to feed your prints or to load media roll.
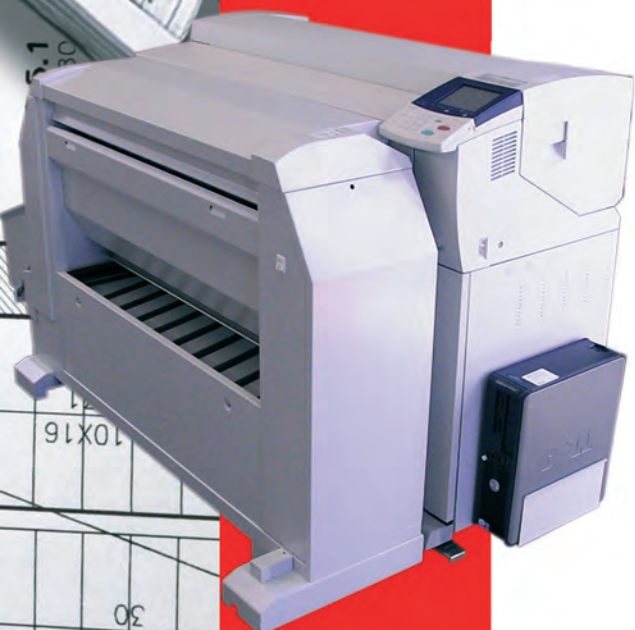

Solutions.
